## Levels of Service

We offer three levels of service - you choose which one best suits your event.

### ★ Delivery Service

All of your menu items are prepared and grilled in our kitchens, then delivered to your location. Our staff will drop off your menu, including disposable guestware and disposable chaffing dishes...no need to return a thing!

### ★ Delivery and Service

All of your menu items are prepared and grilled in our kitchens, then delivered to your location. Our servers will set up your buffet, stick around to help restock chaffing dishes, and return all equipment back to our location so you don't have to lift a finger!

### ★ Full Service

This option includes all of the grilling equipment to grill everything fresh on site! You will have our experienced servers and chefs on site to fully take care of you and your guests (within reason, of course!). Our staff will grill your entrees to order, and fully service the event with snappy, friendly service.

## Doing Our Part to Reduce Waste!

We are proud to announce that standard with all of our picnics are totally compostable "silverware," plates, cups and napkins. The plates are made of sugar cane fibers, utensils are made of potato starch and the cold and hot cups are made of corn.
